1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Duke Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am experiencing the last rate increase at the current time, where on my bill, it shows how much more it is costing this year verses last year for the same energy use. If they have enough money to purchase another utility, they don't need an increase.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

If you need any additional feedback or records, please contact me.
